The Carrollton Public Library...

a hub of information, education and recreation for the community.

In everyone's life there are "special" people. All of us have been blessed by that someone who has given special meaning to our lives. These people include parents, grandparents, children, siblings, a spouse or perhaps a treasured friend. Many of us look for a unique way to express our love and appreciation and to honor these individuals.

In addition, all of us recognize that it takes many parts to make our community whole. We realize that it takes our clubs, organizations and businesses to make our community strong and in turn our lives fuller.

Now you have the distinct opportunity to honor or memorialize that someone "special." Now is the perfect time to show your part in making up the greater part of our community.

The Carrollton Public Library is proud to announce **The Friendship Walk, A Timeless Tribute**. Located in the courtyard area of the

library facing North Folger Street, **The Friendship Walk** is an ideal way to pay tribute to family and loved ones or to recognize your involvement in our community.

Your contribution to **The Friendship Walk** will enhance the library's interior makeup, i.e., furniture, equipment, computers, and books as well as special programs for the community such as traveling exhibits, workshops and informational programs.

Commemorative bricks are available for \$150.00 each. A distinctive way to honor someone or recognize an organization or business, each brick will allow for 3 lines with a maximum of 14 characters per line. (Spacing and punctuation constitute a character.)

To reserve your brick, return the attached order along with your check payable to Carrollton Public Library. You also may contact The Library at 660-542-0183 or visit our website: www.carrolltonlibrary.com.
