Student cards for children ages 4 - 17 years must have a parent or legal guardian's signature to obtain a library card. Four (4) years of age is the minimum age for a child to apply for a library card. Children younger than four (4) years of age may check out materials under their parent's card. A parent/guardian must sign the application for children under 18 years of age and assume responsibility for materials. Parents are responsible for supervising their children's reading.

Student cards are available to students enrolled in a Carroll County School District or home-schooled children free of charge for ages 4 through high school aged or age 24, if enrolled in college or furthering their education. (*CPL Adopted Policy March 25, 2008*)
