Readers of all ages will use their imagination this summer as Carrollton Public Library collaborates with the Norborne Public Library to present, *Imagine Your Story*. The Summer Reading Collaboration is a fun way to include reading and related activities in summer family time. It helps children maintain and improve reading skills. Activities include story times, games, crafts, art projects, songs, and science experiments as the library celebrates reading with stories of fairytales, mythology, and science fiction.

The Summer Reading Collaboration events are story times and presentations every Tuesday mornings from June 2nd to August 4th in NORBORNE for all ages (see schedule below).

The Summer Reading Collaboration events are scheduled in CARROLLTON every Monday and Thursday from June 1 - August 6th mornings and afternoons for all ages (see schedule on other side).

Both locations offer programs open to participants aged preschool through young adult, with programs, prizes, story times, reading logs and friendly competition. Families are invited to join the Read-to-Me portion of the program or encourage independent readers to reach their reading goals over the summer and track reading logs via the READsquared App at <http://carrollton.readsquared.com/>

Registration for *Imagine Your Story* begins in May and continues throughout the summer.

All programs and events are free of charge and open to the public to attend.

We welcome children of all abilities.

For more information, call 660-593-3314 or visit our website, <http://cityofnorborne.org/city-hall/>

The Summer Reading Collaboration Grant and the Reading Challenge Software Grant are supported by the Institute of Museum and Library Services under the provisions of the Library Services and Technology Act as administered by the Missouri State Library, a division of the Office of the Secretary of State.
