

Tales & Tails, Summer Reading Program YOU Call It! Collaboration

Carrollton & Norborne Public Libraries

Readers of all ages will enjoy the Summer Reading Collaboration between the Carrollton Public Library and the Norborne Public Library presenting Tales & Tails, You Call it! The themed program is a fun way to include reading and related activities in summer family time. Library programs help children maintain and improve reading skills. Activities include story times, games, crafts, art projects, songs and science experiments as we dive into animal stories, fairytales, non fiction, and science fiction.

The Summer Reading Collaboration events are scheduled in CARROLLTON weekly Monday and Thursday from June 1st - August 5th at 9 am and 2 pm for all ages. Harvester's Grab & Go Snacks will be available during the summer's serving window on Monday and Thursday from 3 - 4 pm weekly.

The Summer Reading Collaboration events are story times and presentations every Tuesday mornings weekly from June 8th to August 3rd at 9 am in NORBORNE.

Both locations offer programs open to participants aged preschool through young adult, with programs, prizes, story times, reading logs and friendly competition.

Families are invited to join the Read-to-Me portion of the program or encourage independent readers to reach their reading goals over the summer.

Registration for Tales & Tails, You Call it! begins in late May and continues throughout the summer.

All programs and events are free of charge and open to the public to attend.

The libraries welcome children of all abilities.
